

Dear Parishioners,

An Endowment Fund is one significant way in which our parish can assure its future.

Traditionally we anticipate that our parishioners will give consistently and generously in their weekly contribution envelopes. Such giving enables us to meet the on-going daily operational expenses associated with parish services and programs.

We have, however, the obligation as a parish, to prudently plan for the future. An Endowment Fund is one futuristic planning tool.

The St. Francis Borgia Endowment Fund includes both a Parish and a School Fund. It represents the existence of a solid foundation of monetary resources to secure the future needs of our parish and school.

Understanding how important your role is in our parish, I ask you to consider a donation to the Endowment Fund. The past, present, and future generosity of each of you symbolizes our parish as a family of worshipers. Such generosity exemplifies, as well, the concrete financial contributions necessary to minister to the needs of all of our parish family members.

I thank you in advance for any donation you are able to offer to the Endowment Fund. Know that you are providing one more brick in the solid foundation that is our parish's future.

Gratefully Yours In Christ,

Father Thomas Eichenberger

Pastor
