

SCRIP GIFT CARD PROGRAM

Welcome back! The Scrip Gift Card Program at St. Francis Borgia hopes to raise \$35,000 this year and can do that easily with your help!

NEW LOCAL RETAILER

THE HUB Restaurant in downtown Cedarburg, owned by SFB parents Rick and Kathy Lanser, is now offering \$25 Scrip gift cards at a generous 15% profit. Please pick up a card and treat your family to a delicious, healthy HUB meal! Thank you, Lanser's!

Some basic Scrip information for you:

- **Front Desk Sales Hours:** Volunteers will be selling Scrip gift cards in the front lobby every day from 8:25-10AM and 2:30-3:30PM. Inventory is limited and available on a first come first serve basis. Large purchases should be ordered to guarantee availability.
- **Volunteers Needed:** We need parents to sell scrip during the times listed above. If you can help please contact Leslie Jamieson at javadawg@charter.net.
- **Requirement:** Just a reminder that all SFB families need to earn \$150 in PROFIT from Scrip between May 1, 2009-April 30, 2010. If your oldest/only child is in 4K or 3K the profit requirement is \$90 and \$60, respectively.
- **What is profit?** "Profit" is the discount given by the retailer and differs by gift card. We buy our gift cards from Great Lakes Scrip or directly from some local retailers at a discount then sell them to SFB parents for face value. For example, the HUB gives SFB a 15% discount so if you buy \$100 in HUB gift cards you made a \$15 profit.
- **Orders:** Orders are due into school or online by 10AM Monday mornings. Online ordering is preferred (see other side for instructions). Some cards have restrictions (for example, Kohl's will take Scrip to pay off your credit card bill but most other retailers do not).

For more information or a complete listing of gift cards offered (and applicable rules by card) please go to www.GLscrip.com

SCRIP GIFT CARD PROGRAM

The SFB volunteer Scrip program coordinators plan to use the Great Lakes Scrip profit tracking program to compute the profit earned by SFB families. We need each family to set up an account online at www.shopwithscrip.com as soon as possible!!! Many families already set up an account in order to purchase scrip online so if you did that last year you are set. Ordering Scrip online is the preferred method of purchase!

To Sign Up:

1. Log onto www.shopwithscrip.com
2. Click on "MY ACCOUNT" and register
3. Enter the SFB Enrollment code: AEE429BC53L7
4. Select St. Francis Borgia School/WI as your non-profit organization

To place an order:

1. Log onto www.shopwithscrip.com
2. Click on "Order Scrip"
3. Select St. Francis Borgia School/WI
4. Complete the Order Form by selecting the retailer, entering the quantity desired, and "Add to Cart"
5. Click "check out" then "complete your order"
6. At Select Payment Option, either select PRESTO PAY (you will have needed to set up this feature) or check. If you select check- please send the check and copy of the order form into school by 10AM Monday.
7. Confirm your order
8. The order will be sent to you through family mail on Thursday

Note: you can enter an order on-line at anytime but it will not be released by SFB coordinator until Mondays at 10am. Relatives and friends may use this system also but should use your family name so that you get the profit credit.

PAPER ORDERING:

1. Complete an order form (available at school or on the school website).
2. Send the form and your check payable to **SFB SCRIP** to school BY 10am Monday (3K and 5K PM families by the Friday before).
3. Your order will be sent home with your child in Thursday's family mail or will be available for pick-up Thursday afternoon (as you specified on the order form).

While paper ordering appears to be easier, the fact is that it takes a lot more volunteer time to handle. The on-line ordering is really easy once you get it set-up and provides you with an instant profit report by just logging onto your account.
