

SFB School Athletic Association
2022-23 Girls Basketball & Boys Basketball Participation Form

The St. Francis Borgia basketball season begins November 7, and teams are forming now for girls and boys in grades 5-8.

In order for your child to participate in the 2022-23 SFB school basketball program, we must have all athletic forms filled out from this current school year and a current physical form in the school office. If you completed these forms for volleyball this year, you do not need to do it again. You must also pay a fee of \$60 per student. The money collected from this fee will be used for uniforms, referee fees, equipment needs, etc. If you are unable to cover the cost of this fee for financial reasons, please contact Principal Jordan Last.

There is a \$250 per family out of pocket maximum for participation in SFB athletic programs (volleyball, basketball, track) for the 2022-23 school year. This out of pocket family maximum does not include additional fees that may be incurred for special events.

Please return this form, along with your payment to the SFB School office by Monday, September 26, 2022. Your child will not be able to participate in basketball practices or games until all forms have been turned in and this fee has been paid. In 2 family households, each parent/guardian should return this form with their contact information listed to receive basketball communications. Please complete a separate form for each child participating. Separate checks are not necessary.

Please contact Jen Murray at murrayj@sfb.school.org if you have any further questions.
We look forward to a great season! **The SFB Athletic Association**
