The philosophy of St. Francis Borgia Catholic School is based on the Christian social principles of the Gospel message – to love and to respect the rights of all people. It is the policy of the school that we shall not discriminate on the basis of race, color, and/or national or ethnic origin in the administration of our educational policies, admission policies, financial aid, athletics, and other school programs. St. Francis Borgia Catholic School reserves the right to deny attendance to anyone whose behavior is contrary to the teachings and ideals of the school or whose behavior or attitude is disruptive to the functioning of the student body.

Our school makes every effort to meet the academic needs of students and offers academic supportive programs for children.

St. Francis Borgia Catholic School does not offer programs for emotional, psychological, or physical problems.

A student is admitted to St. Francis Borgia Catholic School on probation. This probation is annually and automatically renewed. While parents are asked at initial registration to indicate any learning, emotional, or psychological problems, there is always the possibility of such problems arising later in the school years.

The school administration retains the right to request parents to have psychological or other assessments if behavior problems ensue. Parental cooperation on this request can be the basis for a child's continued enrollment in St. Francis Borgia Catholic School. Administration retains the right to determine if a child's needs can or cannot be met in St. Francis Borgia Catholic School. Such a determination may change based on a change in a student's behavior and/or needs.

***As a parent enrolling their child in St. Francis Borgia Catholic School I understand and accept the above stated qualifications related to continued enrollment in St. Francis Borgia Catholic School.***
