

**SFB School Athletic Association**  
**2022 Track and Field Participation Form**

The track and field season begins Monday, March 28. Our SFB track and field team will be coached by Erika LaPean and is available to girls and boys in grades 5-8. In order for your child to participate in the 2022 SFB track and field program, you must pay a fee of \$60 per student. The money collected from this fee will be used for uniforms, meet fees, buses, equipment needs, etc. Your child will receive a t-shirt to be used as a uniform top; athletes can keep these at the end of the season. If you are unable to cover the cost of this fee for financial reasons, please contact Principal Amy Royes.

There is a \$250 per family out of pocket maximum for participation in SFB athletic programs (volleyball, basketball, track) for the 2021-2022 school year. This out of pocket family maximum does not include additional fees that may be incurred for special events. Athletes may only participate in one sport per season.

Please return this form, along with your payment to the SFB School office by February 18, 2022. Your child will not be able to participate in track practices or meets until all athletic forms have been turned in and this fee has been paid. In 2 family households, each parent/guardian should return this form with their contact information listed to receive track communications. Please complete a separate form for each child participating. Separate checks are not necessary.

Please contact Jen Murray at [murrayj@sfbsschool.org](mailto:murrayj@sfbsschool.org) if you have any further questions.

We look forward to a great season! **The SFB Athletic Association**
