The Upper School Basketball Tournament is back! It has been three years since we last had a full Upper School Tournament, but we are bringing it back for 2022!

So what is the Upper School Basketball Tournament?

SFB 6-8th grade students are broken up into 6-8 teams, and they play a double elimination basketball tournament VS each other. The goal is to build school spirit and have some fun!

How are the teams chosen?

The teams are broken up by the SFB Basketball Coordinator with help from SFB teachers and coaches

Does my student have to play?

No! But they should! Regardless of their skill level or basketball knowledge, they should play. This is about having fun and it is more fun to play than not to play. We hope that any student who does not choose to play will come and cheer on their classmates.

Who is the coach?

The 8th grade students are the “coach”. They are given plenty of guidance and there will be adults overseeing the process.

How do I sign up?

Return the permission slip and \$15 fee ASAP!

How can parents help?

We need help with clock and book, concessions, gym supervision, etc. If you can help please contact SFB Basketball Coordinator Vinnie Murray at coachvmurray@yahoo.com
